

# IF BACK HURTS BEGIN ON SALTS

Flush your kidneys occasionally if you eat meat regularly.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys; they become over-worked from the strain, get sluggish and fail to filter the waste and poisons from the blood; then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidney or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular or passage of attended by a sensation of scalding, stop eating meat and get about four ounces of Jod Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithium, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jod salts is inexpensive and cannot injure; makes a delightful effervescent little-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

## LIGHT VISITING THE PECOS VALLEY SCHOOLS

Roswell, N. M., Feb. 25.—Dr. C. M. Light, president of the State Normal school at Silver City, arrived in Roswell last evening from Hagerman to remain for a day or two with the local teachers.

This morning he spoke to the high school students at 11 o'clock and this afternoon at 3 o'clock he addressed the grade teachers and at 4 o'clock the high school teachers. In the absence of Superintendent Hall, Principal Lyon of the high school and Principal Pope of the Central school entertained the visitor. Dr. Light also visited this afternoon with Rev. C. V. Hill, superintendent of the county schools, and state president.

Dr. Light has been president of the State Normal school for the last eighteen years and is an important figure in educational circles of New Mexico. He has conducted three teachers' institute in Roswell and is well known here by the old-time residents.

## Today's Market Reports

### STRAIN IN PARIS PASSES WALL STREET TAKES A BRACE

[By Leased Wire to Evening Herald] New York, Feb. 27.—Passing of the financial strain in Paris and suspension of the liquidation from Amsterdam gave the home market a good tone today. Prices moved nervously except for a time when the market was stimulated by erroneous reports that the Mexican government had requested this country to assist in the restoration of peace. Prices bounded up sharply but trading grew dull when it became known that the report was not true.

Northern Pacific's early business was associated with its January report, showing a decrease of \$93,696 in net earnings. New Haven declined 2%, while \$64, within a fraction of its low record.

Bonds were irregular. Official denial of rumored financing by the Northern Pacific rallied the stock to above yesterday's close. American Telephone turned weak and lost a point.

The market closed strong. Trading venture on the long side were encouraged by new points of support and speculation. All of the important stocks showed gains of a point or more. United States Express soared 12 points.

The more important stocks closed as follows:

Amalgamated, 74%; Sugar, 196%; Atch. & T., 97%; Bunting, 165%; Southern Pacific ex. div., 94%; Union Pacific, 167%; Steel, 65%; Steel preferred, 109%.

### CHICAGO GRAIN AND PROVISION MARKET

Chicago, Feb. 27.—Prospects of large shipments from Australia and Russia had a bearish influence today on wheat. In addition, many traders were looking for a setback, as the market for a week has been gradually advancing without any material reaction. The opening, which was 5% lower, was followed by more pronounced weakness. The close was steady, 5% to 6% net lower.

Corn sagged under selling by commission houses. Offerings from the country were fair and shippers reported but little improvement in outside demand. Prices started 5% to 6% off and continued down grade. The close was firm at the same as last night to a shade up.

In the oats crowd action was determined solely by the course of other grain. The market, nevertheless, showed a good volume of business.

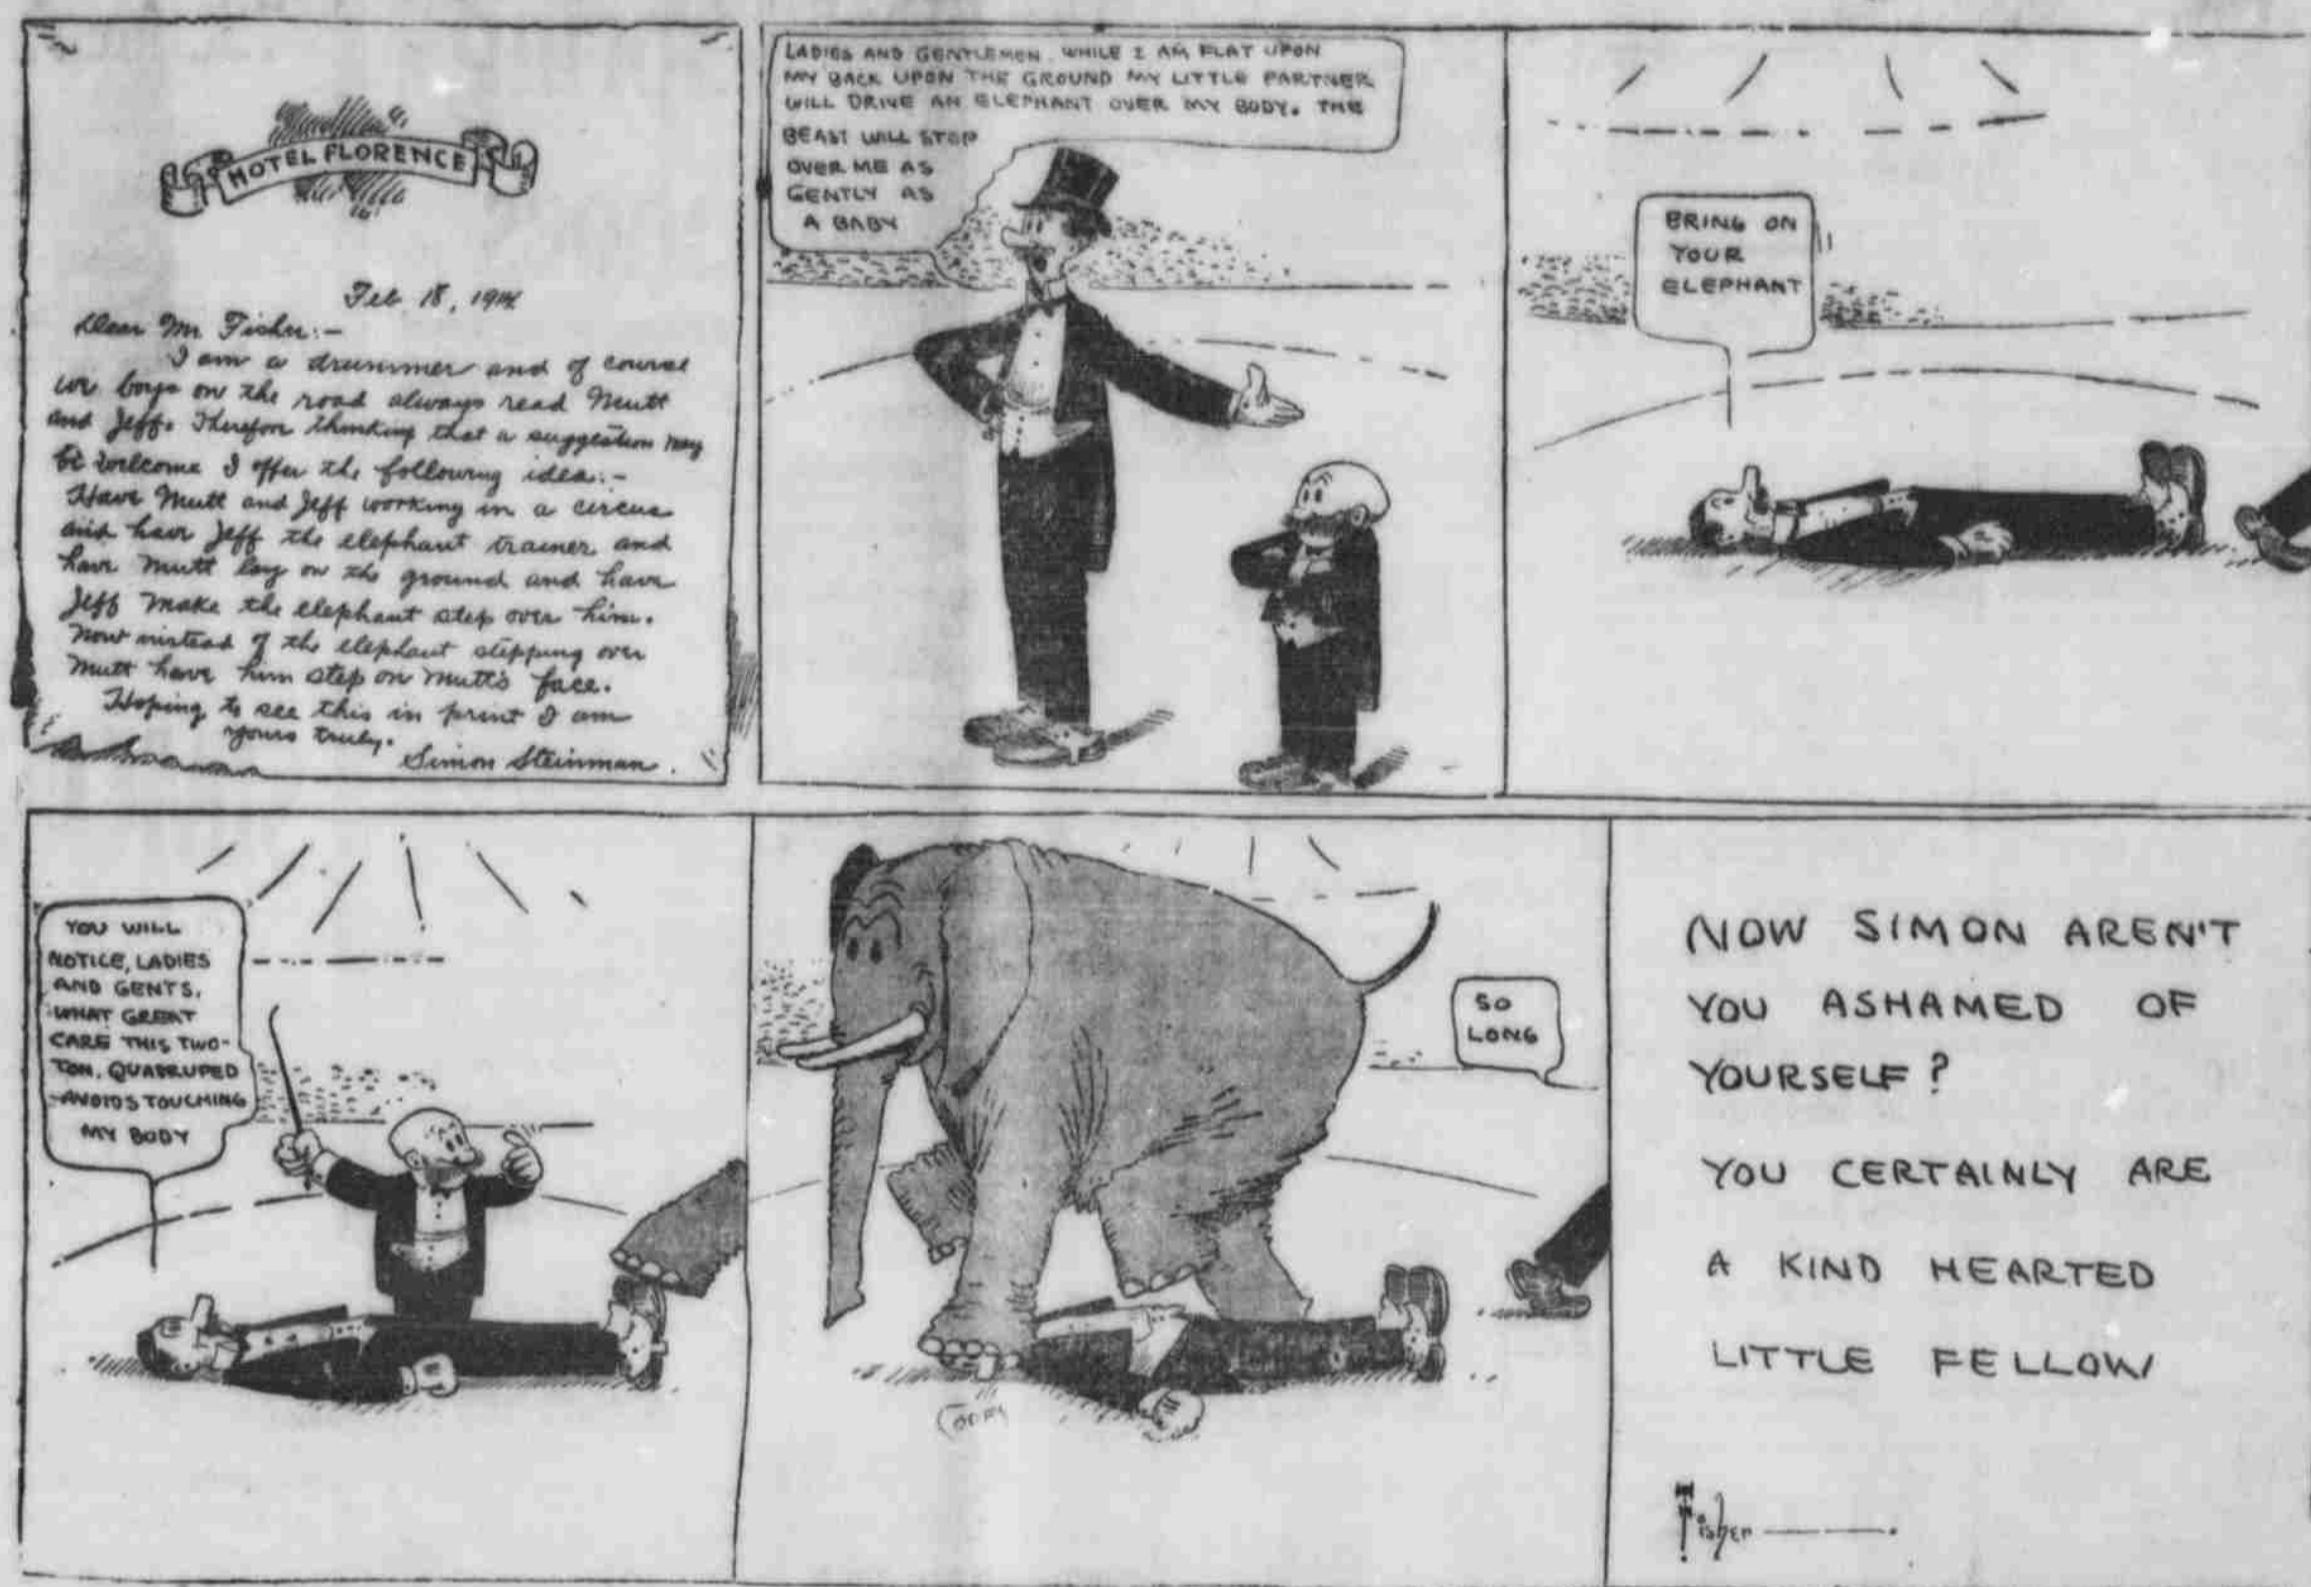

Provisions weakened on account of the slowness of trade in hogs. First sales varied from last night's level to decline and with a subsequent additional drop.

Closing prices:

Wheat—May, 94%; July, 88%; Corn—May, 87%; July, 86%.

## STOCKMEN HEAR A REPORT FROM RICHARDSON

Member of Delegation Who Attended Washington Conference Tells Roswell Growers of Results.

(Special Correspondence to the Herald)

Roswell, N. M., Feb. 27.—At a meeting in the commercial club last night the livestock growers of Chavez county gathered to hear a report by Judge Granville A. Richardson, one of the delegation sent to Washington recently to urge on the interior department and congress regulation of the remaining open range. Herbert J. Hagerman read copies of bills which have been introduced by Senator Fall and Congressman Ferguson regarding drift fences and the leasing of the public domain. The leasing of the public domain. Reports were made on the progress of the petitions now being circulated among stockmen and citizens throughout the state asking immediate action by congress.
